| Vocational Practical Training in:<br>surgery-hospital (2 weeks),<br>internal medicine-hospital (2 weeks) | 4    | 120                   |                 |          |          |              |                    |            |                            | Credit            |

exercises - classes in a remote form; in exceptional cases, with the rector's consent, in a traditional form requiring direct contact but maintaining the epidemiological safety

laboratories - traditional classes (requiring direct, physical contact)

practical training - traditional classes (requiring direct, physical contact)

In case of selected classes carried out traditionally, with the consent of the rector, the possibility of remote organization is allowed, due to epidemiological conditions.
